DBT PROJECT VACANCY NOTICE

Research Associate (RA) Position

One Research Associate (RA) position is available in a DBT sponsored Bioinformatics project. Initially, these positions are available for the period of one year and based on the performance of the candidate can be further extended.

Educational Qualification:

RA applicants should hold a Ph.D. in Bioinformatics, with proven experience and relevant publications.

Candidates with prior research experience in NGS analysis/*in-silico* screening, and MD simulations will be preferred.

Interested candidates should submit their full, updated Curriculum Vitae with a detailed description of research experience along with two references by **December 12, 2018**, addressed to Dr. Dinesh Gupta
