

Date: July 10, 2018

VACANCY NOTICE

Research Associate (RA) Senior Research Fellow (SRF) Positions

One Research Associate (RA) and one Senior Research Fellow (SRF) positions are available in the ICGEB Yeast Biofuel Group for a DBT sponsored project to work on recombinant protein expression in yeast/yeast metabolic engineering and next generation sequencing data analysis. Initially, these positions are available for the period of one year and based on the performance of the candidate can be further extended.

Educational Qualification:

RA candidates should hold a Ph.D. in Biological Sciences/Bioinformatics. SRF candidates should hold a MSc. with experience (minimum 2 years).

Candidates with prior research experience in yeast molecular biology/ cloning/ metabolic engineering/ protein expression and computational biology / NGS analysis/ genomics, proteomics will be preferred.

Interested candidates should submit their full, updated Curriculum Vitae with a detailed description of research experience by **July 25, 2018**, addressed to Dr. Naseem Gaur
