Workshop on GCxGC-TOF-MS

21st - 22nd February 2020

Venue: ICGEB New Delhi Campus

Registration Deadline: 15th Feb 2020

Overview: This workshop provides an opportunity to get exposed to the intricacies of multidimensional gas chromatographic mass spectrometry systems (GCxGC-TOF-MS). It includes both theoretical and hands-on experience of a GCxGC-TOF-MS to re-enforce the theoretical knowledge in a laboratory set up. Maintenance of such high end systems are equally important and will be discussed in greater detail.

Who should apply: This workshop is suitable for all levels of knowledge; however for complete beginners it is advisable to read about GC/MS. The workshop is beneficial for the people who are working in the areas of pharmaceuticals, food, oils, agriculture, cosmetics, analytical testing laboratories etc. Interested candidates can apply through Google sheet (<https://forms.gle/ubdEbFeWezwpDmUj8>).

Note: No TA/DA will be provided to the participants. Outstation participants will be provided free accommodation. E mail your queries to: th.icgeb@gmail.com.

Limited seats available !!!
