Temporary SRF positions available at ICGEB, New Delhi for COVID19 testing

During the ongoing COVID19 pandemic, the autonomous institution ICGEB, New Delhi has engaged with the local government authorities to help with COVID19 RTPCR testing in Delhi. As of now ICGEB, ND has already tested more than 45000 COVID19 samples using RTPCR. To continue with this novel cause of science helping the society under need, we plan to hire two Senior Research Fellows with following eligibility and conditions:

- Masters (MSc) or equivalent in any branch of life sciences
- Demonstrated hands-on expertise in molecular biology including RNA handling, RT-PCR and data analysis

Remuneration: SRFs with NET qualification will be eligible for a salary of 35000p.m. with applicable HRA.

This is a short-term temporary project recruitment (3 months) and is currently being offered beginning August 2021, exclusively for working on COVID19 testing. Appointment could be extended for additional limited duration depending on the prevailing circumstances. Interested candidates are requested to send their resume to the following email: icgeb.ndpersonnel@gmail.com by 25th July 2021. Shortlisted candidates from the CVs received will be asked to appear for an interview.
