

ICGEB

International Centre for Genetic
Engineering and Biotechnology

31st July 2026

VACANCY NOTICE

RESEARCH ASSOCIATE-1 (RA-1; One No.) [Code: PJ_GOA_RA082026]

Position for RESEARCH ASSOCIATE-1 (RA-1; one no.) is available in the Omics of Algae Group (GOA), ICGEB, New Delhi. The position is available initially for one year with further extensions based upon performance.

Title of the project: **"BioCO₂nnect-Algae: Harnessing Non-Model Strains for Carbon Capture and High-Value Bioproduct,"** funded by the Department of Biotechnology (DBT), Ministry of Science & Technology, GoI, New Delhi, India.

Educational qualifications (as per DBT guidelines):

Required qualifications and experience for RA-I: Ph.D./MD/MS/MDS or equivalent degree or 3 years of research, teaching, and industrial experience after an ME/M.Tech with at least one research paper in a peer-reviewed journal.

Experience in handling algal strains is mandatory, along with knowledge of omics biology/photobioreactors etc.

Interested candidates can send their latest curriculum vitae and cover letter with a detailed description of their scientific experience, 'mentioning the code of the position,' to:

Dr. Pavan JUTUR, Group Leader, Omics of Algae Group, ICGEB Campus, Aruna Asaf Ali Marg, New Delhi-110067, India
