ICGEB International Centre for Genetic Engineering and Biotechnology

# VACANCY NOTICE

ONE JUNIOR RESEARCH FELLOW POSITION AVAILABLE

ONE JRF position is available in the Systems Biology for Biofuel Group, ICGEB, New Delhi. The project involves optimizing fermentation parameters to maximize volatile fatty acids (VFA) production from food and agricultural waste.

**Qualifications:** The applicant must have an M.Sc. in Life Sciences/ Biotechnology/equivalent. Preference will be given to candidates who have cleared the DBT/ CSIR JRF exam. Prior experience in anaerobic culturing and Omics analyses will be preferred.

**Salary:** A consolidated salary will be paid to the selected candidate as per the institute norms.

**Application process:** Interested candidates should email their latest curriculum vitae and cover letter (the cover letter must mention pertinent skills) with a detailed description of scientific experience to Dr. Shireesh Srivastava at shireesh@icgeb.res.in with Subject "Application for JRF: VFA". Only short-listed candidates will be contacted for an interview.

Closing date for applications: **21 August 2026**.
